

Law Society

This is a Resource Server Sample for [A2P3](#).

As a user, this site allows you to [enroll](#) yourself as a **lawyer** so that you can provide your law society membership status to other applications.

As a developer, you can [register](#) your App so that you can request various [attributes](#) about a user.

If you are one of the site administrators, you can review [membership](#) and [registered Apps](#).

[Lawyers \(Users\)](#)[Developers](#)[Administrators](#)

Law Society Enrollment Sample

Joe Smith

DOB: January 30 1960

Apartment 1000

123 Main Street

Anyville, BC U1U 1U1

joe@example.com

If this were a real enrollment process, the name, DOB, address, email and membership number and any other shared identity identity would be confirmed to match information in the existing database. When the user confirms, the A2P3 Directed Identifier would be linked to the existing database and the user would be able authorize apps to access their their membership status and membership number.

Law Society Membership Number

1234567

Confirm
